Re: Home Break-ins – Forced Entry
September 1, 2017

Over the holiday weekend, several streets reported forced entry in which a robbery occurred. Several of these incidents have been reported to the police. Streets included:

6700 Block of Flanary
6400 Block of Windsong
6600 Block of Lovington

Also reported (but no additional information available):

Featherwood
Missy
Amador

The burglars seem to use the same methods by entering through a back gate, than kicking in the back door. The burglars seemed to target the master bedroom, possibly looking for jewelry and money.

Residents are reminded to please keep gates locked, garage doors closed and if at all possible, use your alarm.

If you see anyone suspicious roaming the alleys at night, call the police immediately.

The VIP Patrol is in need of a VIP Chair, as well as volunteers. If you are interested, please contact Cyndy Long at SBB Management Company, c.long@sbbmanagement.com, or feel free to attend the next Board Meeting on September 21st at 7:00 p.m. Meetings are held at the Dallas PDP Community Room, 6969 McCallum Blvd.

Thank you,

Preston Highlands HOA
Board of Directors
